Greenbriar

May 20, 1955

Dear Mom & Dad,
For twelve long years you have encouraged
or prodded me at the occasion demanded to a
successful school life. Only you with your
wisdom, patience, and love could know that
sometime in the dim future I would realize
just what you had done for me.
I do know now in a small degree that
without your untiring efforts I never could
have attained this goal along the road of
life. Yours has not been an easy task,
I'm sure. If I've seemed ungrateful, I
know you have forgiven my shortcomings
because they are the universal faults
resulting from youth and inexperience.

To you then, Mom and Dad, the
volume of the "1955 Green Briar" is
dedicated with love and the assurance
that you have not labored in vain.
Your inspiration has led me there
and points to a future limited
by my own ambition.

With

we will always
remember . . .

... that Friday

... that "to be or not
to be, was the question."

... that the day
ended with flaming memories

our history

It's hard to remember that just four short years ago the members of the class of 1955 were freshmen—green and very much confused in all the excitement of being in high school. Every member of our class had problems but they were soon overcome. Milton Riley, Phillip Dickens, Jimmy Wood, Oscar Stephenson, and Charles Smith made the football team that year. We also had Faye Rowland, Kay Delle Arnold, Kay Adams, Gypsy Williams, Joanna Johnson, Nancy Stephenson, Oscar Stephenson, and Jimmy Wood representing our class on the basketball court.

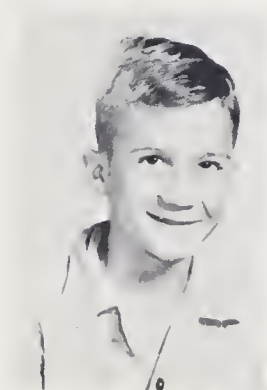

By the time we were sophomores, we felt that we were really a part of the school. As freshmen we felt like underdogs and outcasts, but by this time our place in school society had risen considerably. Our class again contributed valuable players to the school athletic activities.

The summer passed quickly between the sophomore and junior years. When we returned to school after our vacations, everyone's head was in the clouds—we at last had achieved the exalted position of juniors. Jennie Proctor was elected as our class president. One of the highlights of that year was the selection of the Beta Club members. Over thirty in our class sported Beta pins. The most important money-making project that year was a chicken supper. Everyone really enjoyed the preparations for it—including the potato peeling. Our play, "June Mad," was a great success. Miss Vivian Burton was our producer and Kay Adams our director. Robert Carter and Jennie Proctor played the leads. In the spring that most important of all occasions arrived—the Junior-Senior Banquet. We had the "Old South" as our theme. We worked terribly hard to make it a success.

Before we knew it we were seniors. It was hard to believe, but we all soon began to feel our superiority over the lower-classmen. Our cherished class rings finally came. Every senior seemed hand conscious for a few days but we became used to our new treasure. There were those important days when we ordered our invitations and when we were measured for our caps and gowns. It was a strangely wonderful feeling to know that we'd soon be graduating. Donald Averette, Bobby Davis, Oscar Stephenson, Charles Smith, Wailes Blalock were stars on the football field. Patricia Powell was our beautiful homecoming queen. The homecoming game was thrilling, especially since Fuquay won the game. Patricia Adams, our head cheerleader, and Eleanor Van Hook kept our spirits high. Our basketball players included Glenn Spivey, Bobby Davis, Larry Stephenson, Oscar Stephenson, Kay Delle Arnold, Nancy Stephenson, and Faye Rowland. Doris Ragland, Nancy Stephenson, Linda Keith, and Bobby Davis were our class officers. Jimmie Proctor the student-council president, was in charge of the programs in chapel each Friday morning.

We never realized that four years could go so fast. In the twinkling of an eye we were finishing high school. Leaving high school is very sad to us, but we shall find cheer and comfort in the memories of our happy high school careers, and in the friendships we have cultivated. We shall always remember Fuquay High, and there will be a tender spot in our hearts for this our beloved ALMA MATER.

class prophecy

Paris, France, May 20, 1965

Dear Mr. Farnell,

Time surely does fly! It doesn't seem long since our class was back in high school cutting up. I'm sure you remember some of the boys, don't you? I thought you might like to know what has happened to the class of 1955.

Gay Paree couldn't keep Carolyn Bradley and me away, so here we are, habnobbing with the French and trying our "Parlez-vous . . .". Miss Perkinson would be proud to know that we can ask for a glass of water in French! We are certainly enjoying teaching here in the French schaaals, toa.

Last week I ran into Kay Arnold and Edna Beck-with, aspiring artists, who are painting down in the Montmartre section.

The entertainment here in Paris is just très bon! Imagine my surprise when I walked into the Maulin Rauae and saw Jimmie Proctor with a red beret cocked on his head, acting as master of ceremonies! Dan Talley is a hard-working waiter there (so he says) but I imagine he enjoys the can-can girls!!

We were very fortunate to catch Anne Helen Byrd's piano concert while she was on her European tour. The French really raved about her!

Jennie Proctor called me up the other day to let me know that she had worked her way up to the front line at the Sadlers Wells Ballet. I know everyone at home will be glad to hear of her success.

Speaking of home, the whole Paris gang looks forward to getting the old hametawn newspaper, DEPENDENT, every week. Larry Stephenson is making a wonderful editor, don't you think? I'm still surprised to hear that Lawyer James Waad finally got the State to raise the Five Points railroad bridge so Oscar Stephenson could drive his convertible under it without knocking his hat off. That was some case! Jimmy could always argue the horns off a billy goat, though.

Mr. Farnell, I was really glad to hear that Fuquay finally got a new junior high! Eleanor Van Haak will prove to be good principal, and with Linda Keith as her secretary, she should be able to keep everything under control. I just can't imagine Lena Stephenson teaching French to those struggling students, though! Les Pauvres!

As Carolyn and I were strolling by the Seine the other day, whom should we see but Aaron Olive and Sherwood Ashworth, just fishing! Several Frenchmen were giving them instructions which I'm sure they didn't understand.

We ate lunch that day at a wonderful new sidewalk cafe. Monsieur Danald Averette is the owner and he is really fooling the Parisians with his "cuisine francais." Martha Pawell, who is the hostess for the cafe, came over and talked to us.

Mme. Malisa Burch is running an exclusive perfume shop which caters only to the rich countesses in Paris. Loretta Pope has a little chocolate candy shop next door to Malisa's, where she eats more than she sells! Bon Bons, anyone?

Carolyn and I couldn't wait to see the spring fashion showings, so we were lucky enough to see Mme. Patrice's (Pat Adams) early collection being photographed near the Eiffel Tower. Chief photographer Maynard Pearce was taking pictures of Nancy Stephenson and Mollie Tilley, successful models. You ought to hear ole

Nancy speaking French!

Guess what! Bryant Jones and Bobby Wilson won the cross-country bicycle race this year! You should have seen those guys go!

Speaking of speed, we often see Donald Lloyd, wealthy continental playboy, flitting around in his Jaguar! He's so rich that he even has a private nurse and manicurist, who is none other than Kay Adams. At least someone in our class made enough money to retire!

Wailes Blalock and Philip Dickens are also racing enthusiasts, and they often hold drag races between stop lights on the Rue de la Paix!

The French gas station operators are being run out of business by Jerry Dean, who is now selling a special perfumed gas for fifteen cents a gallon! M. Dean's assistants are Earl Dean, Fred Dupree, and Gene Humphries.

Dr. Nelson Reuschling, allergy specialist, has opened his European office here in Paris. He has Carolyn Weaver and Gypsy Williams as his lab technicians. Ooh, la, la! Maybelle Searcy is his efficient receptionist.

Dr. Leonidas Betts, now a famous European archaeologist, is still digging holes, trying to make headlines by finding a new route to China. Pat Pawell got tired of working behind a desk, so she goes along with "Leo" to carry his shovels. I think they call her his "aide-de-camp," or something.

Harold Johnson is making a grand ambassador from the U. S., and Faye Rowland is helping out as his public relations advisor.

Several Fuquay boys are stationed here, also. Sergeant Bobby Davis has W. H. Rhades, Jimmy Farabow, and Marshal Dean under his command. You would really enjoy seeing how Bobby keeps them in line!

A group of us got together the other night and were listening to our short-wave radio. We heard Robert Carter, W. L. Benton, and Glenn Spivey's program, "Needmare Country Style." The idea for the program originated back in high school, remember? They had Jo Ann Parrish and Nora Stephens as their guest singers that night.

We also saw the Fuquay Playmakers on the Trans-Atlantic TV. Producer Charles Smith presented Marie Wilson and Barbara Coats in a very amusing play.

Miss Thompson wrote me that Lydia Johnson had finally ended her misery by opening a roadside fruit stand down in Florida. Mattie Lee went along to help her and to view the "scenery" also.

She also mentioned that Betty Ashworth, Virginia Weddings, Jackie Lane, Rebecca McLead, and Lector Rogers have all become hard-working hamemakers. Home Economics classes really paid off it seems.

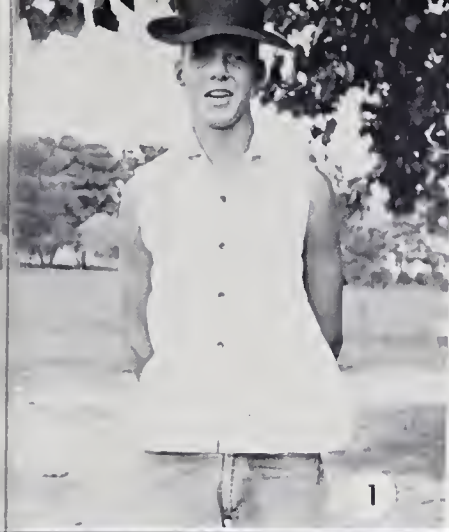

I was also interested to hear about Doris Ragland becoming the manager of the Trailways Bus Company. How about that!

Since so many Fuquay people are here in Paris, Milton Riley runs a special airline just for us. He has hired Bobby Barbour as top pilot, with Jean Sherron and Jean Stephenson as stewardesses. We are able to fly home quite often since the airline started.

Well, I just wanted to let you know where we all are. Everything here in Paris is magnifique! Don't forget us (as if you could).

Au revoir,

JOANNA JOHNSON, Class Prophet

The
Greenbriar

student council

JIMMIE PROCTOR
President

One of the first and most successful of the Fuquoy Springs Student Council projects of the year was the Better School Spirit Week. Soon after B. S. S. Week, the Student Council sponsored pep rallies and parades for advacting the school spirit.

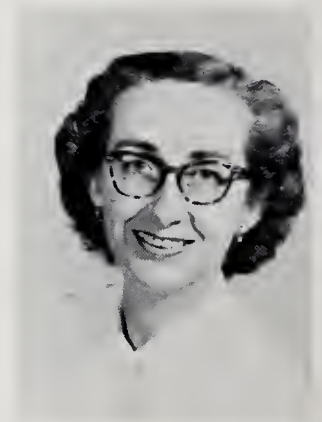

The Student Council took over the management of the school store, and out of the profits provided for the salary of the school secretary. We also organized committees to help with the running of the store and various other school projects. One of these committees spent much time and effort organizing and drawing up the assembly program for 1954-1955.

During the football season the Council planned and sponsored home game dances. They also sponsored a Christmas and Valentine party and dance for the student body.

Throughout the year the Student Council presented educational and entertaining programs to the school, such as the Souline Players, and the Southeastern School Assembly Programs.

Besides doing the above occomplishments the Student Council was very active in the County Association work. We attended all meetings, study courses, and banquets. The Fuquoy Chapter was represented to the Association by Jimmie Proctor, who was elected vice-president.

The Student Council plans to sponsor Orentation Day in the spring for the eighth grades. It has been very successlul in the past years.

The Monogram Club of Fuquoy Springs High School was reorganized in the fall under the sponsorship of Mrs. W. O. Council, Mr. Ben Perry, and Mr. Haword Coyton.

To be eligible for membership in the Monogram Club, one has to participate in forty per cent of the games, either football, basketball, or baseball for two years. A cheerleader must cheer at seventy-five per cent of all basketball and football games for two years to be eligible for membership. At present there are fifty members in the Monogram Club.

During American Education Week the Monogram Club entered four floats in the parade. Representatives of all sports rode one float, the queen, Patricia Powell, rode a float and her four attendants also rode floats.

The Homecoming game between Fuquoy and Wokelon was a success. The football players' mothers were the special guests and were presented corsages during the half-time activities during which the queen was also crowned. Mr. E. N. Farnell was master of ceremonies. After the game a big dance was held in the lunch room.

On February 24, 1955, the Monogram Club sponsored a chapel program to enlighten the students of the duties and activities of a Monogram Club.

sound her

to her be true
Hail to Fu-quay High!

Sing to Fu-quay

She's the pride of all who love her,

The image shows a musical score for the song 'Hail to Fu-quay'. The lyrics are written below the musical notes. The score is written on a five-line staff. The lyrics are: 'to her be true', 'Hail to Fu-quay High!', 'Sing to Fu-quay', and 'She's the pride of all who love her,'. The musical notes are written in a simple, stylized font. A large, decorative flourish or scrollwork element is drawn across the bottom of the page, partially obscuring the lyrics.
